

Fourth Workshop on Cybersecurity Applications and Intelligent Transportation Systems

July 26, 2022, Las Vegas, USA

URL: <https://easychair.org/cfp/CAITS2022>

Within the 2022 International Conference on Security and Management (SAM'22)

URL: <http://sam.udmercy.edu/sam22/>

The goal of the **Fourth Workshop on Cybersecurity Applications and Intelligent Transportation Systems** is to provide a forum to discuss academic and industrial research results in all aspects related to cybersecurity applications and intelligent transportation, and in particular to the design and implementation of efficient and resilient technological solutions. We especially encourage papers describing theoretical techniques or practical applications within this area.

Topics of interest include (but are not limited to):

- Access control and authentication
- Applications of AI in Cybersecurity
- Autonomous Vehicle Design
- Blockchain applications
- Bluetooth and NFC security
- Connected vehicle security
- Cooperative ITS
- Cryptography to protect privacy
- Cyber Physical Systems
- Drone system security and privacy
- Lightweight cryptography
- Post-quantum security
- Secure mobile applications
- Secure urban transportation systems
- Security in IoT enabled sensors
- Security in wearable devices
- Smart Cities
- Supply chain security
- Vehicular Ad-Hoc Networks

Submission Guidelines

All papers must be original and not simultaneously submitted to another journal or conference.

Prospective authors are invited to submit their draft paper using the Easy Chair web site:

<https://easychair.org/conferences/?conf=caits2022>

One-column papers with 4-10 pages must follow the Typesetting Instructions described in <https://american-cse.org/springer-general-information.pdf> using the [Word template](#) or the [Latex Package](#).

Submitted papers will be peer reviewed.

If accepted, at least one of the authors must register at the conference for the paper to be included in the proceedings.

Authors of accepted papers will be provided instructions on how to submit their Camera- Ready papers in PDF format to the conference website.

Important Dates

Draft Paper Submission: May 30, 2022.

Notification of Acceptance: June 5, 2022.

Author Registration: June 8, 2022.

Camera Ready Paper Due: June 30, 2022.
